### Problem

---

No multiple switches in a single room

Can not wake up early in the morning

visual explanation of core algorithms in CS

There must be a app to track shuttle/bus so students might know where exactly is it

Instagram must Support Many more 3rd party apps

Cannot cancel the transaction in Zelle

---

App/Website found [name]/None	Likes
Feit electric app	Automation to initiate an action based on certain conditions .
Sleep Crusher	Alarm goes off only when u solve a puzzle
visualgo.net	Overall idea
none	none
Instagram	Social communication
Zelle	Secured money transfer,it dosent store your personal info

Don't likes	Improvenemts
None	None
Ads	Improve alarm sound
UI	UI could be improved to make more user friendly
there is no app that does this	there must be an app to track bus
dosent support #rd party GIFS	Allow 3rd party apps
Cannot cacle the transaction in Zelle	Allow to Cacle the transaction
